As a person I am very disciplined (I think so!) and time bound. I hate getting late and waiting. I prefer things neat and clean (partially like Monica Geller from the 'Friends' series). I love travelling, especially hiking, going on nature trails and river side camping. Although I am a mountain person, I do like beaches. I love to play volleyball and dance to the Indian classical music. I feel elated to be a part of the Erasmus community and I hope to experience an intercultural extravaganza.

Cheers!
